Хід уроку

I. Підготовка до сприйняття іншомовного мовлення

Today we are going to continue our work about shopping – the activity most of you like very much. When we are speaking about shopping, what things come to you mind first? What are the goods you buy most often? What shops do you visit? (orally)

II. Основна частина

1. Активізація лексичного матеріалу та розвиток навичок аудіювання.

T: Pupils of the first variant will be the people who come to do shopping – how are they called? (Customers).

And pupils of the second variant will be the people who help customers to do shopping – how are they called? (Shop-assistants)

Reading the dialogue

- Excuse me!
- Yes. Can I help you?
- May I see that jacket, please?
- Yes, here you are!
- Do you have it in red?
- No, I'm sorry. We only have it in grey, white and black.
- OK. May I try it on?
- Yes, of course. What size do you take?
- I usually take medium.
- This is medium. Go and try it on!
- Thank you!
- You are welcome!

2. Розвиток усного мовлення. Opinion & Choice Making.
