### 3. Motivation.

You are in the 9<sup>th</sup> form and you should decide what to do after finishing it: to leave school for getting a job in technical school or to continue education at school in the 10<sup>th</sup> form. It's not an easy task to make a right choice but it is very important for everybody. Choosing a career is one of the most important steps in our life.

### Typology of professions

### What profession to choose?
